

Course Information Sheet

QNUK Level 2 Award in Basic Life Support (Adults & Children) (RQF) 3 hr course

Overview

This course is usually undertaken by people wishing to complete some CPD in first aid or by employees who require an annual assessment in Basic Life Support, such as doctors or dental surgeries. It is aligned with the current UK Resuscitation Council guidelines on CPR and use of a defibrillator, and the qualification lasts for 12 months. It is not an appropriate qualification for a first aider in a business where a need for qualified staff has been identified, but may be appropriate for additional support. If you require any guidance or support in deciding if this qualification is appropriate please do contact us.

Course Content

- ∅ Primary Survey—adult, child & infant*
- ∅ Management of Unconscious Casualties - adult/child & infant*
- ∅ Resuscitation—adult, child & infant*
