

Course Information Sheet

QNUK Level 3 Award in Emergency First Aid at Work (Management of Catastrophic Bleeding) (RQF) 1 day (7hr) course

Overview

This course is suitable for workplaces where the risk of injury in general is low, but there is also the risk of catastrophic bleeding, such as in manufacturing or where power tools / chainsaws are used regularly. It is also suitable in higher risk industries where others hold the full First Aid at Work qualification. It will provide you with the confidence, skills and knowledge to act in a first aid emergency in the workplace but is also suitable to learn first aid skills for general life. It is typically delivered over one day in your setting with a minimum of 6 delegates. The course is suitable for new or experienced first aiders and can be 100% tutor-led with no requirement for learning outside the classroom, or blended where 2hrs of elearning is completed followed by 5hrs face to face learning.
